First Meeting between the Union & Management

On Thursday December 8th 2011 the Union met with management representatives which lasted for approximately 2 hours.

This was a preliminary meeting to set processes and initial timetables.

Members would be aware that with previous Agreement negotiations "Part A" Common Clause negotiations needed to be completed prior to the Business Group / Classification specific negotiations commencing.

The parties have agreed that in an effort to finalise the negotiations in a reduced period of time the "Part A" Common Clause, whilst still remaining common across all Business Group EA's will be negotiated as part of the Business Group / Classification negotiations.

As members would be aware via the previous RTBU National PN Newsflash agreement has been reached for all PN EA's to have a common 3 year expiry date, with the potential for 4 years subject to the outcome of the negotiations across all EA's.
