PN MEMBERS' EA NEWSFLASH NO.3

Agreement reached on common expiry date!

The RTBU has had an early win in negotiations, gaining agreement from Pacific National to a common expiry date for all Agreements.

In an effort to overcome an impasse with Pacific National Management over their rejection of a "Part A" document, a meeting was held with senior management and RTBU Officers on the Friday 11th November.

This meeting was followed by correspondence between the RTBU and PN management confirming that the parties are committed to a 3 year minimum term, to a possible 4 year common end date through a negotiated outcome.

This will apply to all Business Groups.

The Negotiating teams will now be commencing initial discussions with their respective Business Groups in the near future.

Members will be kept fully informed of further developments.
