PN MEMBERS' EA NEWSFLASH NO.1

I'LL FIGHT FOR IT!

The RTBU is gearing up for another tough fight to get decent wages and conditions from the next Pacific National EA.

The planning and discussion process is now underway for the upcoming negotiations.

Enclosed is a survey about the forthcoming negotiations. We strongly encourage you to complete it so the negotiating team knows what members want from their agreement. Make sure your voice is heard!

Telephone hook-ups are also starting to occur to discuss candidates to represent each business group and classification in the negotiations.

As a part of these discussions we will also get each work location to nominate a member to form a part of the Campaign Committee. Please contact the National Office, local organiser or delegate if you would like to nominate or want more information.

It is vitally important that you keep us up to date about your contact details so we can keep you informed about the process.

Please email pn@rtbu.org.au, phone 02 9310 3966 or fax 02 9310 2096 with any questions or updates you have.

National Secretary

PS. We think you deserve a fair and decent outcome on the next Pacific National EA, and we will be working hard with you to achieve this.
