PN MEMBERS' EA INTERMODAL UPDATE NO.20

Intermodal Drivers vote **YES** to industrial action!

The results are in and Members have emphatically voted yes to all proposed forms of industrial action.

65% of the Membership voted in the ballot and every option was voted up.

This is a great result and now means that we have a range of options open to us.

We will be discussing these options and strategies with each depot in the next week.

We will consult with the Membership before taking any decision about next steps, especially whether we collectively choose to exercise any of our Protected Action options.

If you have any questions about industrial action, or next steps, please contact the National Office on 02 3910 3966 or pn@rtbu.org.au
