To All NSW Based QUBE Members

Negotiations have finally started

Your RTBU Negotiating Team met on the 25th February 2014 to go through your log of claims from the survey forms and to finalise clauses relating to the NSW Agreement.

The Negotiation Team then met with QUBE Management on the 26th February 2014 at their office in Botany. During this meeting the parties exchanged their Log of Claims. Your negotiation team then explained to QUBE the reasons behind each item as contained in our Log of claim just to make sure that QUBE understood each claim.

We can advise that in principle agreement has been reached on a number of items for your Log of Claims regarding State Base Clauses such as;

- No Bank of Hours
- 76hrs Duty Cycle with 76hr guarantee payment
- Better Roster Code
- Better Work Life Balance
- RDO's to be rostered together
- Proper Master Roster
- Getting whole Weekends off Duty

The only claim from the company that we can confirm is that they want to make Sydney as a base with multiple sign on locations at Minto, Yennora and Botany.

Before we make any final decisions regarding any claim from the company, you will be notified and a decision will be made on your responses.
