

RAILTRAIN NEWSFLASH #13

CONGRATULATIONS - **FAIL** TRAIN FORCED BACK TO THE BARGAINING TABLE!

The RTBU congratulates all its Members and Railtrain Employees for securing a **NO** vote.

You have stood together as a united workforce to let Railtrain know that you deserve better pay and conditions.

A **NO** vote means that the RTBU Negotiating Team can force Railtrain back to the table to continue bargaining on your behalf until we get a deal that's fair.

By standing together you have sent a clear message to Railtrain. We are now in a stronger position to negotiate a fair and reasonable Enterprise Agreement.

The fight has only just begun, and the RTBU will stand shoulder to shoulder with our Members every step of the way until we get the deal you all deserve.

UNITED WE STAND

UNION LOUD. UNION PROUD.
