

Pacific National Bulk & Coal Protection Action Ballot

25 September 2017

Last chance to send your ballot papers!

To all PN bulk and coal members,

Voting for the Protected Action Ballot will close this Thursday the 28th of September at 10:00am AEST.

Now is your last chance to VOTE YES!

To make sure your ballot arrives in time you will need to put it in an express post envelope.

If you haven't already, make sure you send in your ballot papers today!

Remember, a YES vote will keep all action options on the table and put you and your colleagues in a better position to fight for a fair wage increase, better conditions, and a better future.

For the ballot to be successful we need a majority of members to vote – why not check in with a colleague or two, to make sure they're voting, too?

When we fight together, we win.

From your RTBU team.
