RAILTRAIN NEWSFLASH

ISSUE NO.23

Railtrain Management has FINALLY got back to the RTBU regarding your Enterprise Agreement.

After the Consultation Meeting on the 7th of February 2018 Railtrain informed your RTBU Negotiating Team that no decisions could be made around the EA until the Railtrain Executive had met in late February/early March.

On Thursday the 29th of March Railtrain informed the RTBU that their Executive were still considering the next steps in regard to the EA process and will not be able to provide a position until late April.

The RTBU understands the exasperation that the Membership is feeling and are keen to get back to the table to get a decent Enterprise Agreement for the Members. Especially considering the last EA meeting was on 17th November 2017.

As always, if anyone has any questions please do not hesitate to call Leanne Holmes 0405 231 016, Ken Aldridge 0487 095 050 or Keith McMahon 0411 430 900.
