SYDNEY TRAINS REFORM – DEPOT TOUR UPDATE

Members are advised that the Locomotive Division will be undertaking a tour of Sydney Train's depots to further explain the current status of the Future Operations proposed reform process. Delegates will be in attendance to conduct formal meetings to discuss any important proposed changes to the Drivers Rostering & Working Arrangements that may arise from this process.

Members are requested to make the time to attend these important discussions and have their say on any proposed changes that may affect them.
