INCREASE IN UNION DUES 2016

Members are advised that the scheduled union fee increase which was due on the 1st July 2016 for all Rail Division Members was deferred until the first full pay period from 1st October 2016.

This has occurred due to the Union making a number of updates to the membership system and the need for the Union to conduct a number of Union Delegate elections.

The new rates from the first full pay period from 1st October 2016 will be as follows:

Full-Time & Part-Time	\$25.70 per fortnight
Casual	\$15.15 per fortnight
