

Pacific National Bulk & Coal Protection Action Ballot

September 4, 2017

How to vote YES for the postal Protected Action Ballot!

To all Pacific National Bulk and Coal members,

Winning this ballot means that workers can undertake the necessary actions to protect our conditions and our rights without risking our jobs. This is extremely important and why we need everyone's vote.

Voting for the Protected Action Ballot opened on Friday, and we need you to vote as early as you can. Remember, this is a **postal ballot**, so keep an eye out for the ballot papers in your mailbox as you should receive them very soon if you haven't already. We expect ballot papers to start arriving in mailboxes from September 5th. If you haven't received your postal ballot papers by September 8th, please contact the AEC directly.

Vote **YES** for all action measures so that workers have as many options of protected action as they need in order to secure fair working rights and conditions.

Example of ballot questions:

An unlimited number of indefinite stoppages at work? **YES** / ~~NO~~

An unlimited number of stoppages of work for 24 hours? **YES** / ~~NO~~

An unlimited number of stoppages of work for 8 hours? **YES** / ~~NO~~

It's time to stand up for our rights and we need the votes of all our workmates to win this Ballot!

Vote NOW and vote YES!
