

Pacific National Bulk & Coal Protection Action Ballot

September 4, 2017

PN Delegates:

We need your help!

Thank you to all our delegates who have helped bring the fight for a fair agreement all the way to this Protected Action Ballot. Now it's time for us to make sure our workers are ready to vote and to win.

Voting opened on September 1, and will close on Thursday the 28th of September. Remember, this is a **postal ballot**. Ballot papers will probably start arriving in mailboxes from September 5th. If ballot papers aren't received by September 8th, members should contact the AEC directly.

In 24 days, we need every single PN worker to hand in their vote, and vote YES.

The top 3 things we need our delegates to do:

1. Ensure that all members receive their ballot documents in the mail when voting opens on September 1
2. In the first week of September, get any member who has not received a ballot to call Jennifer at the AEC on (02) 8892 0330.
3. Remind workers throughout September to vote soon and to vote YES to all actions.

You can also find a timeline of the Protected Action Ballot and a full Delegate Checklist on Loco Express online.

Our workmates deserve the right to a fair Agreement and now it's time for us all to stand up and make sure every worker votes.
