NEWSFLASH NO.11

VOTE YES!!!

Ballots should be appearing in your letterboxes. Members need to be voting yes to ALL the actions on the ballot, putting the ballot in the reply-paid envelope and posting it back without delay.

If you have not received your ballot it may be because your address is not correct.

Members need to contact the AEC Returning Officer to obtain a “change of address” form ASAP.

The Returning Officer is Alison Catlin and can be contacted via Alison.Catlin@aec.gov.au or on (02) 4702 5004.

It is also imperative to let your local Delegate know if you have received your ballot so we know that all Members are getting their say.

Voting **yes** to **ALL** the actions sends a clear and united message to the Company that the workforce stand as one and will **NOT** accept the offer of 2%.
