NEWSFLASH NO.13

LAST CHANCE TO HAVE YOUR SAY!

The deadline for the Protected Action Ballot is fast approaching, so get your **YES** papers in the post **TODAY**. The RTBU strongly suggest using an Express Post envelope if you haven't posted it yet.

The RTBU had a National Delegates tele-conference on Friday and the feedback is overwhelmingly positive. Members are voting well and voting **YES**.

Pacific National management need to be sent a clear message that our Members are strong, united and **WILL NOT** accept a measly 2% pay rise.

Let's not forget that in the last year Pacific National Intermodal have appointed a new CEO, COO, CFO, Head of HR AND a DIRECTOR OF HR!!!

And they can't afford to pay the workers, the very backbone of the business, more than 0.1% above the CPI??? The RTBU reckon that's a slap in the face and so do our Members... **VOTE YES!**

SOLIDARITY COMRADES!
