NEWSFLASH NO.14

YES!

In a true act of solidarity and unity, RTBU members voted overwhelmingly in favour of Protected Industrial Action.

Don't believe the self-serving spin from management – **the truth is that every single action on the ballot received an overwhelming YES vote.** This means that you now have an impressive arsenal of potential industrial actions to take over the coming weeks. Well done to all members - your voice has been heard loud and clear.

HERE ARE THE RESULTS:

Lift-up & Lay-back bans	93.5%	YES
Overtime bans	92.9%	YES
Bans on work beyond PD's	92.9%	YES
One-hour 'go slows'	85.2%	YES
One-hour work stoppages	87.5%	YES
Four-hour work stoppages	86.5%	YES
24-hour work stoppages	87.1%	YES
48-hour work stoppages	83.3%	YES
72-hour work stoppages	80.0%	YES
Seven-day stoppages	78.0%	YES

All Members want is a fair deal for the hard work that they do for Pacific National Intermodal. The RTBU Negotiating Team and all the Delegates have worked really hard to get to this point and will continue to fight. **We still have a long way to go, but the successful Protected Action Ballot is a big step forward. Congratulations!**

UNITED WE STAND. DIVIDED WE FALL.
