

# LGBTIQ & Allies Network Local Leads

## The LGBTIQ & Allies Network is looking for network members who work outside of Brisbane to champion the LGBTIQ & Allies Network in their local area.

The LGBTIQ & Allies Network officially launched in Brisbane in May 2015. With overwhelming support from the Brisbane area, we're looking to expand our presence in all areas where Aurizon operates. To do this, we would like local Network members to sign up as Local Leads.

### What's involved?

Signing up as a Local Lead of the LGBTIQ & Allies Network is really what you make it! It could be as simple as pinning up the LGBTIQ & Allies Network newsletter in your depot or as elaborate as organising your own local launch. Any way to encourage everyone to "bring their whole selves to work".

You will be supported by the LGBTIQ Network Committee who will provide you with materials to support how you want to grow the LGBTIQ presence in

your local area. You will also be assigned a buddy from the Committee who will assist you along the way.

**"Registering as a Local Lead is a great way to show your support of the LGBTIQ & Allies Network and support local identifying members"**

### Why should I sign up as a Regional Lead?

Signing up as a Local Lead is great way to show your support of LGBTIQ identifying persons working in your local area.

Aurizon has a large footprint and the LGBTIQ Network aims to cover all of it. Local Leads are an important part of making the presence tangible in our local areas.

### How do I sign up?

If you would like to sign up as a Regional Lead or would like more information, send an email to [lgbtiq@aurizon.com.au](mailto:lgbtiq@aurizon.com.au).
