### **FUTURE OPERATIONS AGREEMENT IN PRINCIPLE**

The Locomotive Division would like to inform Members that Agreement in Principle has been reached for the package negotiated through the Future Operations program.

The package to be put to a vote of affected employees contains the following;

- Driver's Overtime Bonus to be converted to a Working on a Book Off Day Payment (WOBOD).
- Aggregation of the Driver's Cab Allowance into the hourly rate.

A Depot tour will be conducted between Monday 16 and Friday 27 October to deliver a detailed presentation on the proposed changes.

Following the Depot Tour affected employees will have the opportunity to vote on the proposed changes with the voting period open from Friday 27 October until Friday 3 November.

Voting is to be conducted by the Election Consulting Group (ECG) via a confidential online ballot.

The proposed changes can only be adopted if a majority of affected employees who vote are in favour of the changes.

The full Agreement in Principle is available for review as hard copies in Depots and in electronic format on the Sydney Trains intranet.
