QUBE EA UPDATE

QUBE Members are advised:

It is time to prepare to negotiate our new enterprise agreement (EA). This Agreement sets out your working conditions so it is important you get involved. This survey is your chance to have your say on what your priorities for negotiations are and what we can do together to win on these issues.

The Surveys for your new EA have been sent to your email address. If you haven't received a Survey, you can download a copy from Loco Express, contact your local Delegate or contact Kevin Pryor on 0417 105 356

The survey closes on the 4th May

Once the Survey has closed, we will collate the information into a log of claims for you/Members to endorse.

Please remember **"YOU"** are the union and **"YOU"** will decide what is included in the next Agreement.

Regular report back meetings / phone conference will be held.
