## TRAIN CREW UPDATE

10 APRIL 2020

# EASTER SHOULD BE ABOUT DELIVERING CHOCOLATE - NOT MASSIVE CUTS TO WORKERS' RIGHTS!!

All affected PN employees received an invite yesterday from their President, so tomorrow, Easter Saturday, take up the invitation, get on the phone and tell PN that your EA is not up for grabs - after all it would be rude not to accept!

See your PN Invite for details but we know the times are;

**Coal Drivers: 12.30pm (AEST)**  
**Bulk Drivers: 1pm (AEST)**  
**Intermodal Drivers: 1.30pm (AEST)**

Tell them, RTBU Members are willing to sit down and talk constructively and productively with PN around changes that MAY be needed in the future to deal with changes due to COVID-19.

**Tell them, RTBU Members WILL NOT accept an all-out attack on their Enterprise Agreements.**

Make your voices heard. Every available Member needs to be on those phones telling them what you think.
