ISSUE 32: SEPTEMBER 2020

To All Members RTBU Branded Face Mask now available.

We have been able to source an initial batch of 1500 washable face masks for members, with a further 2300 being on back order waiting for delivery date confirmation. They will be distributed on a 1 per member first come basis issued via your Depot/Workplace Delegate.

We are putting in place a process for Depot/Workplace Organisers to prepare a list of members in their Depots and once the order is received, we will send the number of requested masks after confirming numbers with our membership system to your Depot Organiser for distribution. It is the responsibility of your Depot/Workplace Organiser to distribute the mask and to make sure each member who wants a mask receives a mask and a record kept.

Additional mask will only be provided to cover any shortfall once all initial orders are filled, subject to spares being available.

Members are encouraged to send in pictures of yourself wearing the RTBU branded masks at nswloco@rtbu-nsw.asn.au to be posted on LocoExpress
