

PACIFIC NATIONAL

MEMBER UPDATE

Friday 25 September 2020

YES TO A ROLLOVER A BIG NO TO PN'S PROPOSED PAY INCREASE

Recently RTBU Members covered under the Pacific National Intermodal Train Crew Enterprise Agreement 2017 were asked to complete a survey regarding their EA.

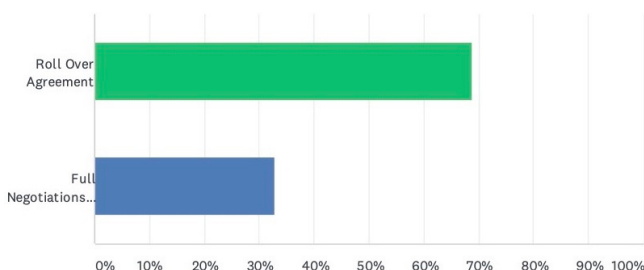

A massive THANK YOU to everyone who took the time to have a say about the EA. As we all know, there is strength in numbers and the results of the survey are very clear.

RTBU Members have indicated that a Rollover could be accepted but not under PN's proposal.

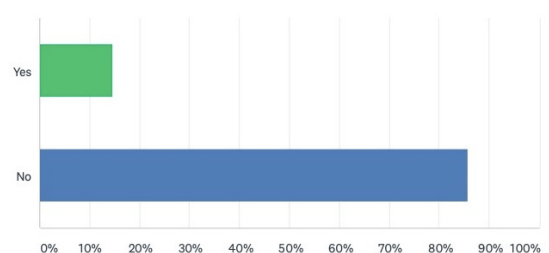

These strong results have now given your EA Bargaining Team a clear mandate to get PN to the table and start negotiating a fair and reasonable deal.

Stay tuned for more updates, and if you have any queries please call Leanne Holmes on 0405 231 016 or Steve Wright on 0418 699 642.

Would you rather a roll-over or full negotiation for a new agreement

Would you accept PN's offer?
