

NATIONAL HSR ZOOM MEETING

THURSDAY 20 MAY, 12 NOON AEST

Wednesday 5 May 2021

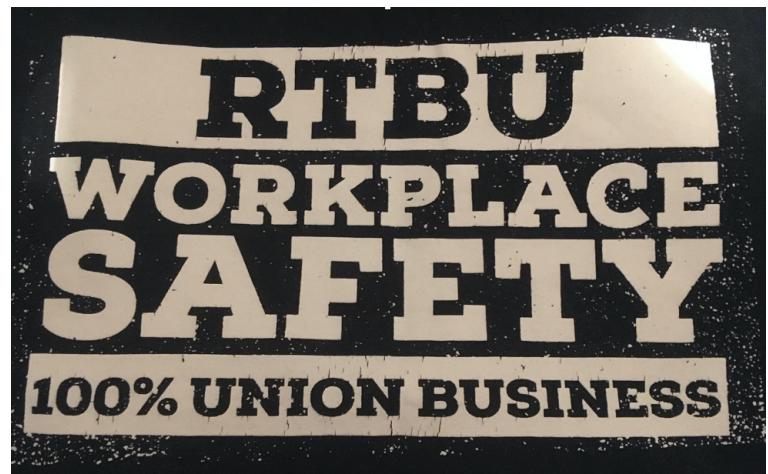

ALL OPERATORS, ALL WORKGROUPS

Last year the very first PN HSR Zoom kicked off, and was very successful with Members reporting that it had allowed them to meet other HSRs, compare what was happening in their Depots and work together to support each other when enacting Risk Assessments and PINs.

Broader feedback has heard that HSRs from other Operators would like the opportunity to be involved, hence this next National HSR Zoom will be cross-Operator.

So, if you are a RTBU Member HSR who works for:

- Pacific National
- SCT
- Qube
- Railpro
- RTS
- OneRail
- Crawfords
- Aurizon
- Watco
- Trojan
- TasRail
- Momentum

Or any other operator. ... JOIN US ON THE 20TH!

If you would like to be part of the HSR conversation please contact any of the following RTBU Officials to get your invite:

- Leanne Holmes – National Organiser – lholmes@rtbu.org.au
- Greg Cameron – NSW Locomotive Organiser – gcameron@rtbu-nsw.asn.au
