PN BULK EA NEGOTIATIONS

Members, due to the unfortunate weather conditions, Pacific National decided this morning to cancel the scheduled bargaining meetings set down for this week.

PN's decision was based on limiting non-essential car travel while flooding remains a threat.

While no one wants to see negotiations delayed, we also understand the current situation and acknowledge that many members and their families have been affected by the floods. Our thoughts go out to all members and their families in these difficult times.

We would also like to acknowledge the great work being done by the countless volunteers who continue to assist in the recovery effort, many of whom are also members.

Our next bargaining meeting is scheduled to take place in the week commencing 21 March.

We will report back to you again at that time.

Stay Safe Everyone.
