## QUBE Members Enterprise Agreement Update - SURVEY

As advised in our last Newsflash, QUBE stated at our last EA meeting that 70% of employees/members were happy with the current rostering provisions.

No proof was given to your delegates at the meeting and is inconsistent with the numerous rostering issues members included in our Log of Claims.

As a result of the Companies claims, your Loco Division Negotiating Delegates have decided to conduct a survey of members regarding the major unresolved or outstanding Rostering Issues.

All members are encouraged to participate in the survey by clicking on the below link or cut and paste the link into your internet browser to complete the survey.
