## Aurizon NSW Coal Enterprise Agreement 2025

### EA Tour Wollongong.

After successful meetings at all the Hunter Valley Depots, your negotiating team will hold depot meetings at Wollongong. This meeting will give all members the chance to contribute their ideas to the log of claims. Please make the time to attend either meeting as the more engagement there is from members, the better the EA will be.

We will hold meetings at the following locations:

**5<sup>th</sup> May** – Wollongong Depot from 10am to 4pm and Collegians Wollongong from 7pm.

Now is also the time to make sure your details are up to date with the union. If you have changed address, contact details or transferred from another depot or operator please get in contact with Jarrod Tickle on 0439 969 664 or [jtickle@rtbu-nsw.asn.au](mailto:jtickle@rtbu-nsw.asn.au) to update your details.

Most members will be aware that the last few years have seen attacks on working conditions and concerns about the rising cost of living falling on deaf ears. Now is the opportunity for all members to get the pay and conditions they deserve.

Organising is hard.

Bargaining is hard.

Action is hard.

**It beats the hell out of begging though!**
